SUMMARY

Information Systems graduate (GPA 3.80/4.00) with hands-on IT support and end-user troubleshooting experience from remote ERP system support and configuration work across nine client rollouts. Certified in IT Customer Support Basics, Kanban, and Scrum fundamentals. Resolves hardware, software, and basic networking issues for end users using ticketing workflows and remote support tools (TeamViewer, AnyDesk). Open to placement anywhere in Indonesia.

EDUCATION

Bachelor of Computer Science (S.Kom), Information Systems

Jul 2019 - Sep 2026

Universitas Mulawarman, Faculty of Engineering, Samarinda | GPA: 3.80/4.00

- All degree requirements completed; thesis defense passed. Formal conferral (wisuda) expected September 2026.
- Thesis: E-OFFICE user satisfaction study using the EUCS method (SPSS, n=70 respondents)

CERTIFICATIONS

- IT Customer Support Basics - Cisco Networking Academy (August 2026)
- Basic Cyber Security for the Healthcare Sector - Kominfo (2022)
- Kanban Essentials Certified (KEC) - KanbanStudy (August 2026)
- Scrum Fundamentals Certified (SFC) - SCRUMstudy (August 2026)

PROFESSIONAL EXPERIENCE

Software Implementation Consultant, Intern

Aug 2022 - Dec 2022

PT Hashmicro Solusi Indonesia

- Provided remote technical support and troubleshooting for ERP system users across nine client rollouts (including Motul and Yokohama), configuring Sales, Purchase, Inventory, POS, and Accounting modules to client-specific workflows - all nine implementations delivered on schedule.
- Diagnosed and resolved software access and configuration issues without site visits, installing systems and setting up user accounts remotely via TeamViewer and AnyDesk.
- Built and executed UAT checklists across ERP modules, identifying and logging 1-3 defects per module and escalating each to developers through a ticketing workflow the same day, keeping fixes inside the release window.
- Documented technical gaps and system change requests (FRD/CR) for clients including Jakarta Fruit Market, giving developers clear specifications to close configuration gaps before go-live.
- Tested end-user features (HR Training, Vendor Payment Report) and authored an Accounting Manual Guide for TheWokPeople, delivering both a working feature set and reference documentation at handover.

LEADERSHIP EXPERIENCE

Chairperson

Jan 2023 - Dec 2023

Student Legislative Body (BLM), Universitas Mulawarman

- Led a 55-member legislative body through a governance reform initiative comprising 15 work programs across the student body.
- Oversaw a combined budget of IDR 135 million - including ~60 million in institutional/ministerial student funding plus additional funds secured through external proposals and organizational revenue-generating activities.
- Chaired 72 meetings and evaluations over a one-year term to track student body performance.

Deputy Secretary

May 2023 - Present

Duta Damai Kalimantan Timur

- Process 12 activity permits and event proposals plus 24 meeting minutes per quarter, keeping documentation current for every cycle.
- Coordinate a team of 60 members, holding daily leadership duties since 2026.

Other Leadership Roles: Deputy Chairperson, Student Legislative Body (BLM), Universitas Mulawarman (2022) | Head of Cadre Development Bureau, MP-MBKM Community (2022-2023) | Head of Public Relations, Information System Association / INFORSA (2021)
